

RE Day 2020

Dear Parent / Carers,

We have had a fantastic time celebrating our similarities and differences during World Faith Day on Weds 29th January. Thank you to our visitors Tamar Hodos Lucas (Judaism), Ramila Patel (Hindu), Rev Lizzie Kesteven (Christian) Mr and Mrs Baig (Muslim) and our very own Kiran Kaur (Sikhism), who gave up their time to come in to give information about their faith and share personally why it is so important to them. Our children were brilliant and asked some very good questions. I was particularly impressed at the knowledge our children hold of the different aspects of each faith and their ability to compare each of them. I must say a big thankyou to Mrs Watt our RE lead for putting the day together. It is really important that we continue to celebrate our diverse community as this is what makes our school special!

RE day this year was a virtual experience on the theme of 'Inspiring People'. Children across our school uploaded responses on Seesaw...good to see that despite these tough times, we can still see inspiration around us!

A picture of starfish being thrown into the sea. Maya in Y2 was inspired to be like the person throwing the starfish back into the sea by going on a litter pick. She picked up some litter and just like the starfish being thrown back she made a difference to our world.

Class assembly task: Can you name one inspirational person that you have found out about in school or in assembly?

Thalia in KS2 was inspired by the people she listed (Moriah Elizabeth, Nadia Hussain, David Attenborough and the NHS) and made a piece of artwork to represent them.

Phase assembly task: Can you think of someone you know (famous or not) who has been inspired by their faith?

My Great Grandad is a Christian. He goes to church every week (not at the moment though) and he believes he is being a good Christian by always helping others. He set up a gardening club in the village where he lives and hopes that people who visit the club, will feel connected to nature in a good way and go on to help others because they have been helped by him.

One of our children created this picture of Chadwick Boseman as a response to 'It is inspirational.'
