Athletics

18 children competed in a variety of athletics events including sprinting, hurdles, soft javelin and long jump. Each school had to compete in 14 events with each result contributing to the final score. The boys and the girls teams performed excellently and qualified for the county finals.

Cross Country

We took a team of 12 children to compete in a cross-country race at Whitehall playing fields. The children had to run over a mile competing in a race against 60 children in each race, with the top 3 qualifying for the Bristol cross-country team. In one of the toughest competitions of the year, the children showed great resilience to finish the race with one of our children qualifying.
